## A Holiday Celebration of Diversity

The rich tapestry of diversity in our community is given its texture and color by the contributions nonprofits make to the quality of life.

Those of us who are involved with nonprofit sector will once again get together to celebrate, meet friends old and new, and simply enjoy each other's company at **The Spirit of the Nonprofit Sector – A Holiday Celebration of Diversity**.

As a focal point for the energy and power of nonprofits, the Nonprofit Center has worked to build the sector's identity as important and distinct in the social and economic fiber of the Milwaukee community.

This celebration is a showcase highlighting the sector's full spectrum of missions, constituencies and programs, volunteers, job opportunities, talent and expertise.

Join us as we also celebrate the diverse culture of Milwaukee, so enriched by our varied holiday celebrations and the many traditions of Chanukah, Kwanzaa, Christmas, New Year, Eid al-Adha, and the Winter Solstice.

**The Spirit of the Nonprofit Sector – A Holiday Celebration of Diversity** will offer the usual great lineup of music and other entertainment, traditional foods and cultural displays, as well as artists, vendors, and representatives of local nonprofits sharing their talents and offering hand-crafted gifts for sale.
